CHRISTIAN CHURCH, EARLINGTON, KY.

WESTERN KENTUCKY SCHOOL OF SUNDAY SCHOOL METHODS Convention at Christian Church This Week

One of the greatest opportunities that has been brought to Sunday School workers in this section for a long time is the School of Methods being conducted at the Christian Church this week.

The faculty, consisting of the Dean, and four members, is composed of experts. Ray K. Roodruck, Field Worker for Western Kentucky, is acting Dean, and looks after the registration and other details. Walter E. Frazee, State Superintendent of Kentucky Christian Bible School Association lectures on 'Organization and Management' and the Adult division. Prof. W. C. Bower, of Transylvania University, is the instructor in the Bible and Missions. Miss Hazel A. Lewis, Elementary Superintendent, offered courses in Pupil Study and the Elementary Division, while Miss Cynthia Pearl Maus lectured on Religious Pedagogy and the Elementary Division. All of these have a National reputation and their lectures were listened to with profound attention. They go from here to Kenka Park, N. Y., for a similar school next week.

On Thursday afternoon the visitors were entertained with a trip to the mines under the guidance of General Manager Rash and his able assistants, and afterwards with an auto ride through the courtesy of several local owners of machines. On Wednesday afternoon they were given a "Bacon Fry" at Lakeside Park, under the able supervision of Mrs. M. B. Long. The visitors all express themselves as delighted with Earlinton and her hospitality.

The registration has exceeded expectations, between fifty and sixty being enrolled in the school, the most of whom are from places other than Earlinton, sixteen places being represented.

The graduation Exercises will be held Friday night when all who have taken notes on twenty of the forty lectures will receive a diploma from the International Sunday School Association. Pres. R. H. Crossfield, of Transylvania will deliver the address. Howard J. Brazelton, pastor of the Local church, is delighted with the school and is to be congratulated on securing such an institution for Earlinton. Below is the registration:

Alaskan Railroad Work Has Started

Washington, June 22.—Actual construction of the Alaskan railroad has begun. Lieut. Mers of the Alaskan engineering commission has reported to Secretary Lane that he had established his base of operations at Ship creek, Cook's inlet, landing materials and supplies. Building of wagon roads, one of the first requisites of the railroad construction is under way, and the force on that work will be increased to 2,000 men as soon as facilities can be provided for bringing material to employ that number.

PROMINENT MEN NOW USE TANLAC

Mayors, County and Circuit Court Judges Obtain Famous Medicine.

Lexington, June 25—"I have sold Tanlac, since the beginning of its introduction in Lexington, to the mayors of a number of cities, county judges, circuit judges, and to many of the most prominent business and professional men in Kentucky," says Wm. E. Stagg, the Lexington druggist.

"The demand for the preparation has been phenomenal. In all of my twenty years' experience in the drug business I have never seen anything that equals it.

"In addition to the Lexington demand, Tanlac has been shipped from my store to Kansas City, Mo.; Colorado Springs, Col.; Denver, Col. Memphis, Tenn.; Meridian, Miss.; Bonilla, S. D.; Pittsburg, Pa.; Jacksonville, Fla.; Louisville, Ky.; Tiffin, Ohio; Cincinnati, Ohio; Columbia Tenn.; Palm Beach, Fla.; Phoenix, Arizona; Los Angeles, Cal and many other points throughout the country that are to numerous to mention. You may rest assured that every city in Kentucky has, too, heard of Tanlac.

"I can only account for the great demand for this preparation by the fact that it is a good medicine. That is proven by the numerous statements from those who have tested the medicine in cases of catarrhal affections, or stomach, liver and kidney complaints, and are now convinced of its excellent merits. The public has not been slow to appreciate the Tanlac merit.

"Practically \$15,000 worth of Tanlac has been sold and distributed through my store within the past seventy days. Such a demand is most certainly unprecedented.

"I take pleasure in commending Mr. Cooper and his very excellent preparation."

Tanlac, the preparation referred to is now sold in Earlinton and St. Charles at Geo. King and Sons drug store, in Mortons Gap at Ben T. Robinson's and, at the City Drug Nortonville, Ky.

There were about 100 present. Various innocent games were in evidence and all had a most delightful time. Mrs. W. A. Grant is lady manager of this flourishing organization, which has a membership of about fifty. During the two years just closing now, this society has raised for all purposes \$100.

FRENCH CAPTURE OF LABYRINTH

Paris, June 23.—The fighting from
May 30 to June 19, resulting in the
conquest by the French of the sys-
tem of works and trenches which the
soldiers called "the labyrinth," is
described in a dispatch from an offi-
cial observer at the front. The laby-
rinth, lying between Neuville St.
Vaast and Ecurie, formed a salient
of the German line, and its position,
a strong one, was greatly reinforced
from time to time.

"French attacks on May 9 and
days thereafter failed to modify the
situation," the observer writes. "At
the end of May the French decided
to finish things, and the order was
given to take the labyrinth inch by
inch."

"This meant an operation of two
principal phases, of different nature.
It was necessary first, by well pre-
pared and vigorous assaults, to get a
footing in the enemy organization;
and then to progress to the interior
of the communicating trenches, in
repulsing the enemy step by step.
These two operations lasted more
than three weeks and resulted in
complete success."

"The débouché must have been
difficult, as numerous German bat-
teries, composed of 77-millimetre
guns, the 150, 210, 280 and even 305-
millimetre guns, concentrated their
fire on us. They were stationed at
Givency, at LaFolle, at Thelus,
Farbus and Beaurains, south of Ar-

KIPLING POINTS OUT DREGS OF DEFEAT

London, June 22.—Rudyard
Kipling, in a speech at a recruit-
ing meeting at Southport, drew
a vivid picture of England's fate
should Germany win. He declar-
ed that whatever had been meted
out to the Belgians and Poles
would be England's punishment
ten fold.

"If we fall to subdue the Ger-
mans," he said, "there are rea-
sons in the German mind why
we should be morally and men-
tally shamed beyond any other
people."

In the local treatment of woman's ills,

possesses superior cleansing, disinfect-

For ten years the Lydia E.

You Are Careful

When you eat, but are you as careful about the
medicines you take or the medical toilet accessories
you use?

You should be sure that they are of full strength,
pure and true to name.

Many people class all drugs—simply as drugs—
and let it go at that.

This is a mistake.

There is as much difference in drugs as there is
in food or in any class of merchandise.

In order that drugs be of full strength at all
times, they must be not only carefully purchased, but
also safely kept. You can be sure your drugs are
right, when you buy them of us.

This means that an ever vigilant, scientific
watchfulness must at all times be exercised in order
that you receive drugs that are true to name and that
will accomplish everything which your doctor has a
right to expect.

Our education, experience, equipment and our
training enable us to safeguard you in a thousand dif-
ferent ways. When you make the smallest purchase
of us, you can be sure that our carefulness absolutely
guarantees you protection in every way.

The more careful you are of your health or of
those who are near and dear to you the more we
know you will appreciate our careful service.

IS YOUR BLOOD GOOD OR BAD?

GERMS EXPELLED FROM THE BODY.

Twenty-four hours after you start to
take Dr. Pierce's Golden Medical Dis-
covery, poisonous matter and blood
impurities begin to leave your body
through the liver, bowels, kidneys and
skin.

It brings new activity to the liver,
stomach and bowels in a short time,
thus causing salivary, indigestion and
constipation to disappear.

Good blood means good health; good
health means strong men and women,
full of vigor and ambition, with minds
alert and muscles ever willing. Any
medicine dealer will supply you with
Dr. Pierce's Golden Medical Discovery
in either liquid or tablet form.

Longstreet, Ky.—"Two years ago I
was taken with a pain in my right side.
It kept getting worse until I could not sit
up or feed myself so they called a doc-
tor for me. Matter formed in my
right side and the doctor said I would
have to be operated on before I would
ever get well. I would not give up for
it to be done. I wrote to Dr. Pierce for
advice. My treatment consisted of Dr.
Pierce's Favorite Prescription and Golden
Medical Discovery. At first I felt worse,
but I was determined to give the medi-
cines a fair trial, and was rewarded by
seeing a vast improvement, and to-day
I am in perfect health. In all I used
eight bottles. I cannot praise your
medicines too highly."—Miss CORDELIA
P. REXROAT.

Caldwell Court Enters On Third Week's Grind

Princeton, Ky., June 24—The
summer term of the Caldwell Cir-
cuit Court enters on its third
week tomorrow. The past week
Circuit Judge J. F. Gordon was
unable to preside and Special
Judge N. B. Gordon, of Madison-
ville, presided.

The trial of Gus Lacey is set
for tomorrow. Lacey is under in-
dictment returned by the recent-
ly adjourned grand jury charg-
ing him with the wilful murder
of a companion. Carl Coleman,
whose lifeless body was found in
the railroad yards here about two
months ago, Coleman's throat
had been cut and his face and
head were terribly bruised. Lacey
surrendered claiming that he did
the killing in self-defence. The
killing occurred at night and
there were no eye-witnesses.

The cases appealed from city
court here, where verdicts had
been returned for alleged viola-
tions of the local option laws,
resulted in a fine of \$60 being
assessed against County Treasur-
er R. W. Perry and a fine of \$60
and a jail sentence of twenty days
given R. M. Orange, a 'a ter, on
charges alleging violations of the
local option laws. The case
against Everett Barnes on a charge
alleged violation of the local op-
tion laws resulted in a hung jury
one juror holding out for acquit-
tal.

The other cases appealed from
city Court where verdicts were
received for alleged violations of
the local option laws, likely will
be disposed of this week by com-
promise.

A Draft—You Catch Cold—Then Follows Coughs, Cold Stiff Neck Neuralgia

Especially in the piercing pain
of neuralgia or the dull throb of
headache is Sloan's Liniment
wonderfully relieving. Laid
lightly on the part where the pain is felt, it gives at once a
feeling of comfort and ease that is most welcome to the
overwrought sufferer.

Hear What Others Say:

"There are no Liniments that equal Sloan's. My husband has neuralgia very
often, he rubs Sloan's on his face and that is the last of it."—Mrs. F. J. Brown,
Route 1, Box 181, Halls, Tenn.

"I have used Sloan's Liniment for family use for years and would not be without
it. We have raised a family of ten children and have used it for croup and all lung
troubles; also, as an antiseptic for wounds, of which children have a great many. It
can't be beat. My wife sprained her ankle last summer and it was in bad shape.
Sloan's Liniment applied enabled her to be as good as ever in a week. I have used it
several times for sprains and rheumatism."—John Newcomb, R. R. No. 2, Koshuk, Iowa.
